**LiFeWorks Transformational Trainings  
offers life-altering workshops, seminars  
and graduate programs.**

**LiFeWorks Transformational Trainings** are intended for you to **discover and reinvent the conversations that generate your life's results, circumstances, and experiences.** The dynamic trainings work in a supportive, inspirational, and educational environment for generating breakthroughs in the most crucial aspects of your life. Participants discover new ways to be effective and fulfilled in areas such as relationships, career, family, well-being, health, and finances while experiencing new levels of self-confidence, vitality, joy, and freedom.

supportive  
inspirational  
educational

You get to see how your current ways of thinking and actions align or distance you from your highest aspirations and the vision you have for your life. You can discover new possibilities for yourself that are not determined by your past, rather generated by your commitment to the future. Through the LifeWorks Trainings you will create what truly matters to you while operating from a “life is now” point of view.

# BASIC TRAINING

The Basic Training is the first level of our main curriculum. The training is a learning and educational experience created in an environment that allows you to discover your strengths and whole-hearted passions in life. It offers a practical method for producing breakthroughs and it is grounded in a model of transformative learning designed for people with a drive for success in all aspects of life.

## Schedule and Times

The Basic Training is composed of three training days with breaks and lunches, and a Wednesday evening session.

- Friday and Saturday: 10am-10pm
- Sunday: 10am-8pm
- Wednesday Evening Session: 7pm-9:30pm

Your experience is guaranteed. If you did not receive value during your Basic Training, a full refund may be requested upon full completion of the course.

**The Basic Training Tuition: \$495**

# ADVANCED COURSE

The Advanced Course is the second level of our curriculum. This level of the training can transform your life profoundly in regards to how you see yourself as well as your surroundings. It is four potentially life-altering days in which you can reinvent who you have been, completely let go of unproductive historically-based conclusions and attitudes, and declare a new you capable of sustainable extraordinary living.

## The Advanced Course is an opportunity to:

- Experience “If it’s to be, it’s up to me!”
- Access complete authenticity and personal power
- Expand levels of intimacy and connection
- Communicate in such a way that inspires others
- Transform your personal & professional life
- Have profound interpersonal relationship breakthroughs

## Requirements:

Completion of The Basic Training

**The Advanced Course Tuition: \$695**

The Leadership Program (LP) is a 90-day coaching course that creates an environment that empowers you to live an extraordinary future and create a world that works for everyone. LP is an environment that allows a permanent shift in your ways of BEING and ACTIONS with RESULTS consistent with your vision for your life and the world.

The Leadership Program is an opportunity to take what you have learned from The Basic and Advanced Course and share it with others. Participants take their lives to levels they may have thought were impossible.

#### The Leadership Program is designed to have participants:

- Integrate the training distinctions in their lives
- Create an empowering context for living and sharing the training in their communities
- Learn what it means to have others WIN

#### Requirements:

Completion of The Basic Training & The Advanced Course

The Leadership Program Tuition: \$1,295

#### Children's Leadership Program (CLP) & Youth Leadership Program (YLP)

CLP is a program that empowers and inspires lifelong learners, ethical global citizens, and skilled young leaders for life in a changing world. This training is designed to give children ages 6-11 years old tools to excel in life.

YLP is a program that supports youth to recognize their potential and personal power. The training provides an opportunity for them to enhance their skills to support them in being the leaders of the future. YLP is designed for youth ages 12-17 years old.
